**If you are establishing a membership for multiple locations, please submit an additional form listing the locations and the information above as it applies.**

**MEMBERSHIP CATEGORIES**

**Structural Building Component Member** - Any person, firm or corporation engaged in the selling of retail products including: lumber, millwork, components or other building products. Sales would be primarily to retail customers in order to be eligible for this membership category.

**Associate Member** - Any person, firm or corporation that supplies materials and/or services directly through a retail dealer, millwork or component manufacturer. An Associate Member will be eligible for all member services provided by FSBCC.

**Company Type: (Please ✓ your Company Type and membership category below.)**

Structural Building Component Member     Associate Member
