Check The Membership Category That Applies To Your Company:

- Regular Member

A Regular Member is a firm or company that distributes millwork products to retail customers.

- Associate Member

An Associate Member is a firm or company that supplies products, materials and/or services to Regular Members

**For FBMA Members There Are No Additional Dues Required To Belong To
The Florida Window, Door and Millwork Council.**

Council Objectives

1. To develop educational and other programs to meet the needs of the Council members.
2. To represent the interests of its members in the Florida public policy arena: including the legislature, regulatory agencies and the Florida Building Code Commission.
3. To research and develop reports, studies, etc., as they relate to its members within the state of Florida.
4. To analyze and recommend solutions to statewide problems that could have an effect on its members.
5. To provide written communication to keep its members informed on statewide issues that affect them.
6. To promote the products its members produce and sell.
7. To help to make its members more effective, efficient and profitable.
8. To provide opportunities for its members' personnel to learn from each other through networking.

Please mail to FBMA, P.O. Box 65, Mount Dora Florida or if you wish, Fax it to (352) 383-8756.
