

Continuing Education Provided By Architectural Design Symposium

Presented by
Florida Building Material Association

Rosen Shingle Creek
Resort and Convention
Center, Orlando, Florida
October 5 & 6, 2017

2017 Architectural Design Symposium

Presented by Florida Building Material Association, the 2017 Architectural Design Symposium will be held at the Rosen Shingle Creek Resort and Convention Center, October 5 & 6 (8:00 a.m. to 3:00 p.m.), with up to five hours of professional continuing education each day.

Seminar attendees have the opportunity to earn up to 10 hours of approved continuing educational programs. Included in the \$139 symposium package are coffee breaks, lunch, admission to the Gulf Atlantic Building Products Expo and admittance to Hospitality Row on Thursday night. This is an exceptional value that more than 2,000 architects, specifiers, contractors, and building code enforcement officials have taken advantage of since 1999.

All classes are Health, Safety and Welfare approved.
